Come Celebrate on a Working Farm

The Barn and Patio

Our beautiful barn-style space transforms from farm store to indoor venue. We can accommodate up to 80 seated indoors with patio seating for an additional 40 guests. The indoor space is fully air conditioned and heated and includes the use of the existing furniture.

The Farm Terrace & Meadow

Adjoining the Barn, our beautiful outdoor space overlooks the farm and comprises a spacious terrace and grassy area adjacent to our kitchen garden. The large terrace can be covered, and a tent set up on the meadow. For casual gatherings there are picnic style tables and a large firepit for cooler evenings. 100+ guests can be accommodated in our combined outdoor spaces.

There is ample parking in our parking lot and adjacent field.

The Farm Table

Our catering partners offer seasonal menus, based on our sustainably raised meats, eggs and vegetables. To reflect the true farm experience, we prefer that meals served at events include our food. If you wish to bring in an outside caterer (with approval), we will require a minimum purchase of our products. Alcoholic beverages are permitted at events but should be arranged through the caterer or by the host.

Planning

When you book your event, our coordinator will connect you with vendors from our approved list. We can pair you with the best event planners, bar service, photographers, florists, accommodation, tent rental and entertainment. Once you have chosen your vendors, you will be responsible for contracting with them directly. Our caterers will assist you with the ordering of rentals such as tables, silverware, glassware, and linens.

In 2011 Carol and Tom purchased 28 acres of North Fork farmland and have transformed it into a thriving agribusiness using regenerative, organic methods. Starting with a flock of Icelandic sheep; prized for their meat and wool, they soon added chickens, heritage pigs, cows, goats, turkeys, and more sheep!

Gather herbs, berries, and vegetables from the garden, then join our chefs for a hands-on cooking class featuring farm products. Learn new skills and techniques before sitting down to enjoy the fruits of your labors.
